# Pollonnaruwa

Pollonnaruwa is the realm of King Maha Parakramabahu and according to the historical legend, a guardian sage called Pulasthi has lived in the time of B.C. Pulasthi Puraya is today known as Polonnaruwa. It has become a showcase of beauty of our environment and culture and the centre of attraction to many local and foreign tourists.

It was the King Parakramabahu who developed the agriculture with his great thinking "Not one drop of water shall reach the sea without serving man". The giant water reservoir, Parakrama Samudraya built by King Parakkaramabahu is one of the greatest irrigation works of his time. This circuit bungalow is opening into the beautiful views where you can enjoy wind blowing through the Parakrama Samudraya.
